

GRE Vocabulary

She was so that, when she broke the television, she blamed it on her little brother, even though he was in a wheelchair and could hardly have tripped over a piece of furniture. Her mendacity knows no bounds!

The comedian's book wasn't a proper memoir, but more a of old bits, personal stories that went nowhere, random political opinions, and childhood photos.

Sometimes, the richer people get, the more they become. After he made his first billion, he began traveling with a pet iguana, sleeping in an oxygen chamber, and, oddly, speaking with a slight Dutch accent.

As a vegan, he not only from meat and dairy but also anything made of leather.

The professor is quite doctrinaire - she's been known to lower the grade of any student who dares her.

Exercise 5

(c) Adeet Phanse

Word Bank: gainsay, eschewed, hodgepodge, idiosyncratic, mendacious
