

# GRE Vocabulary

"He's such a ..... that he denies that any other nation could be better than ours at anything - he insists our wine is better than France's, our ski slopes are better than Norway's, and even that we grow more rice than China! Absurd."

"It's so difficult to get anything done in the dead heat of August! I can't seem to shake my ..... enough to get out of this hammock, much less study for the GRE."

"I'm sorry, but this putative letter from George Washington that you found at a garage sale is clearly ..... - it is riddled with anachronisms (for instance, Washington was long dead by the time silent films were invented), and also, Washington most certainly didn't refer to Martha Washington as "hey baby.""
